Mother Nature intended.*

Our Compost Products

Certified Organic,
complete plant
nutrition, in perfect
harmony with nature.

Atlantic Marine Compost

A rich blend of forestry by-products, fish and shellfish containing extra calcium. Excellent for root crops - carrots, potatoes, and lawns. Very high in organic matter. Also great for pest control (slugs and cutworms).

UPC CODE	SIZE	QTY/PAL.
8-1037-100104-5	15kg	85

Tri-Plus Country Blend Compost

The whole farm in the bag. A mix of various farm manures and forestry by-products. This is great for an all around soil regenerator. Especially good for flowering plants and fruit trees.

UPC CODE	SIZE	QTY/PAL.
8-1037-100102-1	15kg	85

Sheep Compost

A mix of sheep manure enriched with poultry. The "traditional pick" by gardeners. An all round amendment great for flowering/vegetable /bulbs/lawns and trees. Very high in organic matter.

UPC CODE	SIZE	QTY/PAL.
8-1037-100101-4	15kg	85

Cow Compost

A mix of cow manure enriched with poultry and aquaculture inputs. Can be used liberally as an amendment for vegetable gardens with no harmful over feeding. This product is also high in organic matter.

UPC CODE	SIZE	QTY/PAL.
8-1037-100108-3	15kg	85

Measureable Results

To ensure quality, our compost is regularly evaluated by third party testing .

Application Rate for Compost :

For new gardens, we suggest 2.5cm-4cm of compost over the area to be cultivated and mix in well to a depth of 15-20cm. For existing gardens use 1.5-2.5cm.

Our **Premium
Grow Mix** in use
as a **seed starter** in a
local **organic nursery**.

Put a little Love in your Soil!

Our Soil Products

We have been developing superior growing mediums since 1991. We are proud to offer **organic soil products** that produce consistently **superior results**.

Premium Mix

Made with a blend of well aged organically manufactured compost & sphagnum peat containing elements essential to healthy plant development. After planting or seeding, water often to keep medium moist to enable good root development. Note additional nutrients may be required to ensure optimal plant development.

UPC CODE	SIZE	QTY/PAL.
8-1037-100660-6	35L	85

Mega Soil

An organic container mix consisting of well-aged farm, marine and hen compost, sphagnum peat and perlite, and PH buffered. Designed for assisting nutrition in container gardening, it is recommended to be used in conjunction with a crop management plan.

UPC CODE	SIZE	QTY/PAL.
8-1037-100101-4	60L	55

Potting Soil

Made with a blend of well aged organically manufactured compost & sphagnum peat containing elements essential to healthy plant development. After planting or seeding, water often to keep medium moist to enable good root development.

UPC CODE	SIZE	QTY/PAL.
8-1037-100660-6	20L	150

Enriched Garden Soil

A soil enriched with aged farm blend compost and quality topsoil. Perfect for the gardener who desires a one-step project.

UPC CODE	SIZE	QTY/PAL.
8-1037-100380-3	25L	100

Topsoil

Fortified with compost. Increases nutrients, improves soil structure and enhances drainage in heavy soils. Recommended for all types of outdoor plantings. A soil mix great for topping up shrub beds and touching up lawns.

UPC CODE	SIZE	QTY/PAL.
8-1037-100382-2	25L	100

Our Landscape Products

Cardwell has an extensive line of landscape products. We can create **custom blends** to provide made to order solutions for our customers.
